

SD/Micro SD Combo Duplicator

The Fastest, most reliable way to make multiple copies of your SD flash Memory Cards

Make multiple copies in minutes!

SD/Micro SD Combo duplicator easily and reliably creates multiple copies of your SD or Micro SD flash card without a computer or software. Each channel has dedicated copy throughput of 2GB per min. Asynchronous copy mode allows each channel to function independently and copies directly from built-in memory so there is no need to interrupt a copy cycle as each channel will load, unload and copy independently. Source Analysis feature identifies the content on the master and intelligently copies only the data to speed up the copy cycle. Fast, reliable, convenient and cost-effective to operate, SD/Micro SD combo duplicator helps you to get more done in less time!

Features:

- Standalone solution; no PC or software is needed
- Support Synchronous and Asynchronous copy modes. With improved SOTA technology, SD/ Micro SD duplicator can do Asynchronous copy even if the source data size is bigger than duplicator system memory.
- Supports all file formats, file size and card capacities
- Unique Source Analysis feature
- Up to 2GB per min copy speed per channel
- Easy to use, cost-effective to operate
- Real time copy and compare technology (copy one section and compare, then copy another section and compare again) to reach higher efficiency of copy compare process.
- No warm-up or cool-down required
- Heavy-duty construction, built for daily operation
- SD Drive/Micro SD check function

Specification:

Operating Type	Stand-alone (No PC Required)	LCD Display	2 x 16 characters
Target	7, 15, 23, 39 & 63	Power Requirements	(Backlit) 115V or 230V
Supported Media	SD, SO Pro, Micro, Mini SD, Mini SD Pro	Operating Temperature	41° F- 122° F
Supported Format	SD, SDHC, SDXC	Operating Humidity	15%-90%
Transfer Speed	Up to 2GB per minute	Regulations	FCC, CE, UL
Copy Mode	Synchronous or Asynchronous		

** Adapter Required
**Actual write speed may vary depending on SD card write speed
***Specifications are subjected to change without notice
